Julius Simas Simutis
Reactjs/native/web developer

Hello there, I am a passionate and creative web developer with 2+ years of experience. I lecture front end basics including React.js which I am proficient at. Also, my hobby combines programming and art.

Personal Info

Address
Vilnius
Phone
+37061606389

Arango DB
TypeScript

Experience

Jul 2020 – present

Front end lecturer
CodeAcademy – freelance
I teach beginners and advanced students front–end that includes – HTML, CSS, JS and React.js.

Apr 2021 – 1 month

Frontend Developer
Wedev.lt – Part-Time
Helped with react native app

Mar 2019 – Mar 2021

Web developer
Ivėjas – Full-Time
Developed full stack projects with node.js (meteor.js) and react.js stack. Coded couple of react native apps, one was front end project, second was full stack project.

Time at Ivėjas can be divided into three parts – managing/upgrading running full stack project about food trucks, from MVP to scaled data platform project and between those projects react native apps.

Education

University of Applied Sciences
